STIMULUS Job Funds at Work

Do you have jobs to fill?

WE CAN HELP!

The Department of Human Assistance is implementing a new subsidized employment program called the Job Opportunity Program. Through this program, the Department of Human Assistance will pay 100% of the participant's wages & benefits, and the employer will pay 20% of the participant's wages & benefits, for up to a 6-month period.

Benefits of this program:

- Opportunity to hire qualified employees during this current economic climate which otherwise would not be an option.
- Help create a new sector of workforce participants who will pay taxes and spend money to help stimulate the economy.
- Access to a pre-screened pool of qualified job applicants.
- Partnership with local agencies to help strengthen our community.
